

Ohio and Kentucky

Category : States of the ADT

Published by [Randy And Sheri](#) on 2006/1/22

The fourth state we hike, the Buckeye State, was the 17th state to join the union. The name Ohio originated from the Iroquois Indians. Their meaning, 'good river', still accurately describes the states southern border...To learn more about the States of Ohio and Kentucky simply click on the highlighted links throughout this article.
