

Indiana: A Virtual Hike of the ADT

Category : Virtual Hike of the ADT

Published by [Randy And Sheri](#) on 2006/8/23

Our hike through the "Crossroads of America" will be on the 357 miles of Indiana's southern ADT section. The southern route will take us through the Southern Hills region just to the north of the Ohio River. To learn more about the state of Indiana check out the links below. Enjoy your Virtual Hike!

INDIANA:

Our hike through the "Crossroads of America" will be on the 357 miles of Indiana's southern ADT section. The southern route will take us through the Southern Hills region just to the north of the Ohio River. To learn more about the state of Indiana check out the links below. Enjoy your Virtual Hike!
